EASTERN AREA LADIES FELLOWSHIP

For the past 36 years Aboriginal and non Aboriginal women living in the Eastern states of Australia have been coming together under the umbrella of the AEF Eastern Area Ladies

They meet together, to encourage one another, support each other in ministry and reach other women for Christ.

The Eastern Area Women hold an annual convention, usually on the Queens Birthday long weekend in June. This year marks our 37th convention.

Since its inception this annual convention has managed to draw together women of all ages, without any obvious generational gaps.

Older women; some who were active members of this group from the beginning, women with young fami-

lies and single women, along with teenagers, all fellowshipping together and supporting each other; this is very special.

The fellowship is served by an executive council who a voted in for a three year term

Currently in office:

President: Mrs Maxine Lawrence, **Vice President:** Mrs Kath Bird, **Secretary:** Mrs Kathy Naden and **Treasurer,** Mrs Dorothy Caton.

We are looking forward to may more years of fellowship and service to our sisters in the Eastern States of Australia.
